

# GLOBAL AGENDA OF ACTION

IN SUPPORT OF SUSTAINABLE LIVESTOCK SECTOR DEVELOPMENT

Tentative programme

Focus Area *Waste to worth* (FA3) workshop  
and  
Climate and Clean Air Coalition proposal finalization write-shop  
27-29 AUGUST 2013 >> BANGKOK, THAILAND  
HOTEL SUKOSOL, BANGKOK

## Objectives

- Progress in activities: Scoping; manure management kiosk; livestock-geo-wiki;
- Create additional awareness; recruit additional regional expertise;
- Link to on-going (multi-stakeholder) activities in the region;
- Propose and plan additional (on-the-ground) activities;
- Finalize Manure kiosk proposal for submission to the Climate and Clean Air Coalition;

## Focus Area *Waste to worth* (FA3) workshop

### 27 AUGUST

Chair: Pravee Vichulata, Kasetsart University

- **9:15 Welcome.** *Theun Vellinga (FA3 Chair) and Vinod Ahuja (FAO-RAP)*
- **9:30 The Agenda: Where we are, and how we got here.** Presentation on history and current status of the Agenda. *Jeroen Dijkman (Agenda Support Group)*  
Followed by questions and plenary discussion
- **10:00** Coffee
- **10:30 Waste to worth: Focus Area Progress update.** *Theun Vellinga (FA3 Chair) and Jeroen Dijkman (Agenda Support Group)*  
Followed by questions and plenary discussion
- **11:30 Break-out groups: Linking to relevant regional and in-country activities and expertise.** Break-out group discussions to identify (i) relevant regional and national activities, processes, projects and partners; and (ii) strategies to create functional linkages and exchange mechanisms with them. Moderation: Vinod Ahuja, Theun Vellinga and Jeroen Dijkman
- **13:00** Lunch

Chair: Suvichai Rijanasathien, Chiang Mai University

- **14:30** Break-out group presentations to plenary  
Followed by questions and plenary discussion, and agreement on action points.
- **15:30** Coffee
- **16:00** The rest of the afternoon will be dedicated to two **Agenda partners' perspective panels** – preceded by a brief introductory presentation. Panelist will discuss what in their view and experience needs to be in place, in terms of stakeholder commitment and engagement; policies; incentives and resources, etc. for practice change towards sustainable livestock sector development to occur, and the types of strategies the Agenda should adopt to facilitate this. Each panel member will have 5 minutes to share their views and experiences. Panel statement followed by plenary discussion. Moderation: Vinod Ahuja and Jeroen Dijkman
- **18:00 Presentation space.** Optional free space for partner presentations
- **19:30** Workshop cocktail

### 28 AUGUST

- **7:00** Departure for field visit to large-scale pig production operation with integrated manure management

Chair: Huynh Thuy, Nonglam University

- **14:30 Break-out groups: Insights and implications of Day 1 and field visit**
- **15:30** Coffee
- **16:00 Break-out group presentations to plenary**  
Followed by questions and plenary discussion, and agreement on action points
- **18:00 Presentation space.** Optional free space for partner presentations
- **20:00** Workshop dinner

### 29 AUGUST

Chair: tbc

- **09:00 Presentation: Current status of CCAC proposal.** *CCAC manure management core group*  
Followed by questions and plenary discussion, and agreement on action points
- **09:45 Presentation: Livestock-Geo-Wiki – manure management component. Progress and further developments.** *Tim Robinson, ILRI.*
- **10:30** Coffee
- **11:00 Break-out groups: inclusion of partner commitments and needs / refinement of FA3 programme and operational modalities**
- **12:00** Break-out groups presentations to plenary  
Followed by questions and plenary discussion, and agreement on action points and FA3 workplans
- **13:15** Summary of group presentations and FA3 workshop closure. *Theun Vellinga, FA3 Chair*
- **13:00** Lunch

# Climate and Clean Air Coalition proposal finalization write-shop
