

**GLOBAL AGENDA OF ACTION**  
IN SUPPORT OF SUSTAINABLE LIVESTOCK SECTOR DEVELOPMENT

**Sustainable livestock. For People, for the Planet**

Ensuring the inclusion and effective participation of constituencies

# A mechanism for effective participation

- What characteristics should an effective mechanism have?
- Constituencies: livestock-dependent
- *Collect and collate* constituencies' concerns and commitments
- *Allow for continuous input and feedback*
- *Build on, and integrate existing mechanisms*
- *Low-cost and sustainable*
- *Continuity in its global representation*

# A mechanism for effective participation

- What are the elements required?
- Network of networks.
- *National constituencies*
- *National champions / mediators*
- *Regional champions / mediator groups*
- *Global Representatives (with alternates)*
- *Yearly global meeting*
- *Training? Facilitation?*  
*Communication infrastructure?*  
*Resources?*
- *Other?*
