

GLOBAL AGENDA FOR SUSTAINABLE LIVESTOCK

5TH MULTI-STAKEHOLDER PLATFORM (MSP) MEETING

7 - 10 OCTOBER 2014, CALI, COLOMBIA
HOTEL INTER-CONTINENTAL

Meeting objectives:

- (i) Increase the shared understanding on the livestock sector's role in Global food security and health; Equity and Growth; and Resources and climate;
- (ii) Find consensus on how to ensure the livestock sector concurrently addresses its key social, economic and environmental challenges;
- (iii) Identify the policies, institutions and incentives that catalyze the necessary livestock sector practice change; and
- (iv) Agree action towards ensuring the necessary policy and operational coherence.

The fifth MSP will also discuss and agree on the Agenda's ways of working and governance options that best support the achievement of its objectives.
