Animal Production and Health Division

Rome, Guiding Group Meeting
06 March 2018

BUILDING TOGETHER SUSTAINABLE LIVESTOCK
for people, for the planet

The Global Agenda, the way we work

- Global Food Security and Health
- Equity and Growth
- Resources and Climate

Focus on continuous improvement

Knowledge based

Integrated and comprehensive sector approach

Inclusive & consensual

The Intergovernmental & Multilateral Cluster

Accomplishments

- 6 members since 2016 (FAO, WB, ILRI, AU-IBAR, African Dev. Bank, OIE)
- Assuring connection and advocacy with International Organizations and governments
 - Fostering balance, representativeness and inclusiveness in GASL
 - LGA as representative of members that have not joined

Outlook

- Attract other members such as IFAD
- Advocacy with governments of under-represented regions
- Represent GASL before 2018 COAG Session
- Support the establishment of the Livestock sub-committee under COAG
- Implement key recommendations of COP23 and
- Contribute to the Tripartite initiative based on our engagement on OH-LAMP.
