

# Global Agenda for Sustainable Livestock

## General Objective

DR. MARCELO GONZALEZ  
FERREIRA

Vice Minister of Livestock  
[vganaderia@mag.gov.py](mailto:vganaderia@mag.gov.py)

Contribute to the global dialogue on sustainable livestock, providing knowledge about the reality of nations and the potential for articulation of actions, interests and knowledge for the design of inclusive public policies that contribute to the fulfillment of the Sustainable Development Goals.

Rome, GG Meeting  
06 March, 2018

# Global Agenda for Sustainable Livestock

## Public Sector Cluster Progress Report 2017

✓ Establish a Laboratory for the Analysis and Dialogue of Livestock Policies (LAPP) for Mesoamerica, as an instrument to provide evidence to influence decision-makers, formulate and design policies, in order to achieve the goals of the 2030 Development Agenda Sustainable. It is suggested that the secretary be made by the technical secretary of CODEGALAC and the executive coordination be led by the countries through a rotating pro-tempore structure. "
