

Global Agenda for Sustainable Livestock

Julián Chará, CIPAV
Pablo Peri, INTA

Rome, GG Meeting
03 October, 2018

Global Network
on Silvopastoral Systems

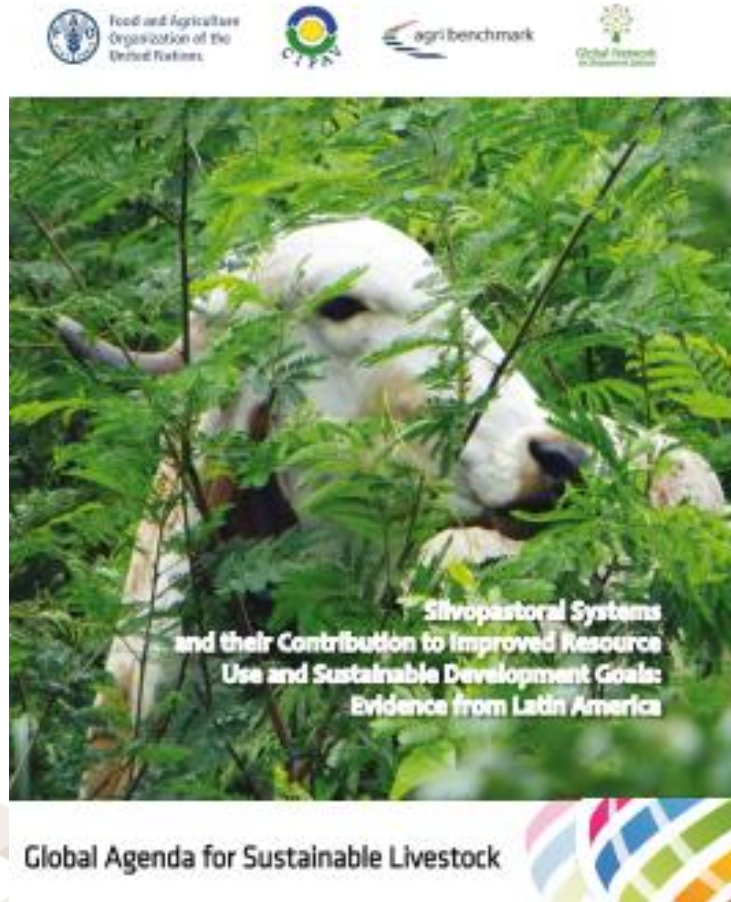

BUILDING TOGETHER SUSTAINABLE LIVESTOCK
for people, for the planet

GNSPS Objectives

Promote the strengthening and scaling up of SPS, wherever there are technical, economic, environmental, and cultural options for supporting livelihoods and business activities with sustainable livestock farming, specifically **through the generation, exchange and dissemination of knowledge, the documentation of public policies in countries and/or sub-regions, and the facilitation of dialogue** to address the challenges associated with Sustainable Development Goals.

Main Activities

1. Facilitate the exchange of information

Global Network on Silvopastoral Systems
Julián Chará

Main Activities

1. Facilitate the exchange of information

International Leucaena Conference

29 OCTOBER – 2 NOVEMBER 2018

www.leucaenaconference2018.org/

Global Network on Silvopastoral Systems
Julián Chará
