

Lake Khuvsgul Tour

Destination: Khuvsgul Lake

Lengths: 3nights/4days

Vehicle: Delica

Duration: June 2018

Day 1. Ulaanbaatar/Murun/Lake Khuvsgul. Juulchin World Tour's guide will meet you at the Chinggis Khan airport by the time of the flight. Flight to Murun city is around 1.10min. When you land in Murun city our company driver will pick you up from the airport and have lunch in Murun city. Drive to the Lake Khuvsgul. Largest lake in Mongolia by volume and the second largest by area and third lake with purest water in the world. Khuvsgul Nuur is nicknamed "Young sister of Sister Lakes (Lake Khuvsgul and Lake Baikal in Siberia, Russia)". Khuvsgul is one of the seventeen ancient lakes worldwide more than 2 million years old and the most pristine and is the most significant drinking water reserve of Mongolia. Its water is potable without any treatment. After long drive when you reach the Khuvsgul lake check in at the ger camp. this ger camp is stationed on the edge of Khuvsgul lake. Just opening your ger door, you can see the beautiful lake. Dinner at the camp.

Day 2. Khuvsgul Lake. Have breakfast in the ger camp and drive to the Tsaatan or the Reindeer family. Reindeer people are a small community of reindeer herders living in northern Khuvsgul province of Mongolia. Reindeer people use their reindeer not only to carry their belongings but also for meat, milk, and clothing from animal hides. Some reindeers continue to live in yurts made of animal skin, in the past, tsaatan lived in yurts made primarily of birch bark that resembled the tepees of native-Americans in their appearance. Mongolian reindeer are a unique species located only in the northern latitudes of the world. By visiting the Reindeer family you will have chance to learn about those unique people's lifestyle and their everyday life. Have lunch on the bank of the lake and drive back to the ger camp.

Day 3. Khuvsgul Lake. Today we will stay by the camp. Hiking in the mountains, admiring the surrounding beautiful nature. Taking pictures of the interesting birds, riding horses are all possible for you. Also the camp you are staying has their own boat, so you can ride the boat anytime (on your own expense) and visit the small islands in the lake. Overnight in the ger camp.

Day 4. Khuvsgul/Murun/Ulaanbaatar. Leave the camp and drive to Murun after breakfast. Drive will be around 2.30hours. Fly back to Ulaanbaatar city. When you land in Ulaanbaatar this is the end of tour.
