

Progress report Academia & Research Cluster GG meeting, Rome, February 26-27, 2019

Feedback from A&R Cluster members

- ▶ Contact with all A&R Cluster members before Christmas: few feedbacks
- ▶ Request from one member from Bangladesh Livestock Institute :
 - ▶ Action Network should be strengthened covering South East Asia.
 - ▶ Action research on Silvopastoral systems management to achieve SDG goal need be considered in future
 - ▶ Guiding Group (GG) should ensure more participation of A&R members to contribute more in future
 - ▶ At least some slots for A&R and Action Network in the upcoming MSP, so that members can share their experiences in respective countries.

Review of tools & cases

- ▶ Delay (2 months) in review due to health problems of reviewer
- ▶ Extension of deadline (1 additional month) granted by FAO
- ▶ First draft (introduction, methodology, results) sent by reviewer to Eduardo, Fritz, Rogerio and Nancy on February 21st
- ▶ Final draft to be delivered on March 14th for comments
- ▶ Final version to be delivered on March 21st

Miscellaneous

- ▶ More interaction between A&R Cluster with AN & more space for AN reports
- ▶ Which publications can be published on GASL's website ([e.g. Pablo Manzano's publication in El Pais](#))
- ▶ Role of A&R Cluster in connection to EAT-Lancet report?
- ▶ Editorial board : who are all members?
