Policy and institutional development 1/2

Regional coverage	Name	Current position	Specific services offered	Country of residence
Africa	CHIDAVA, Stanley	Malawi Organic Growers Association	Organic agriculture	Malawi
Africa	WANGONG'U, Patricia	PAT Concult Limited. / Former regional coordinator of International Federation of Organic Agriculture Movements (IFOAM)	Organic agriculture	Kenya
Asia	AGGARANGSI, Pruk	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Renewable energy, waste water treatment by biogas system	Thailand
Asia	BESS, Tiesnamurti	Head Indonesian Center for Animal Research and Development (ICARD)	Project definition, communication planning, vocational training, biogas technology	Indonesia
Asia	CHAIYAKUL, Arux	Department of Livestock Development	Thailand green agriculture project, utilization of livestock waste, manure management, spatial planning, monitoring long-term effect of manure management	Thailand
Asia	HUQUE, Khan Shahidul	Bangladesh Livestock Research Institute	Policy, planning and implementation of development projects, organization of seminar and workshop etc. / Livestock feeding and nutrition, research on knowledge on farm waste production and recycling, knowledge and technology sharing, training of farmers	Bangladesh
Asia	SEDHAI, Damodar	Adjunct Professor on Veterinary Pathology and Meat Hygiene; Purbanchal University, Himalayan College of Agriculture Science and Technology	Policy, planning and implementation of development projects / programs	Nepal
Asia	SENG, Mom	Vice rector Royal University of Agriculture	Livestock feeding strategy, ruminant nutrition	Cambodia
Latin America	APARECIDA DE LIMA, Magda	Investigadora en Ciencias ambientales y geociencia EMBRAPA	Manejo de excretas y políticas	Brasil

Policy and institutional development 2/2

Regional coverage	Name	Current position	Specific services offered	Country of residence
Latin America	AZOFEIFA, Roberto	Chief of Sustainable Production Department; Ministry of Agriculture and Livestock / Director del Departamento de Agricultura sostenible del Ministerio de Agricultura y Ganadería	Policy making; Planning and execution of sustainable production projects; Participatory assessment and evaluation.	Costa Rica
Latin America	JENET, Andreas	Until April 2015 CATIE	Policy Analysis; GHG emissions from different production systems; related manure, enteric fermentation.	Costa Rica / Belgium
Latin America	PALHARES, Julio Ceasar P.	Researcher at Embrapa Southeast Livestock	Manure and water management in livestock and poultry production, environmental impact evaluation (water), best management practices	Brasil

TO CONTACT SEND EMAIL TO info@manurekiosk.org

Knowledge exchange, awareness creation and capacity building 1/3

Regional coverage	Name	Current position	Specific services offered	Country of residence
Africa	ARAYA, Berihu	Community facilitator, Institute of Sustainable Development (ISD),	Training manure management	Ethiopia
Africa	BUTTERBACH-BAHL, Klaus	Researcher at ILRI and Head of Division "Bio-Geo-Chemical Processes" Institute of Meteorology and Climate Research, Atmospheric Environmental Research (IMK-IFU) Karlsruhe Institute of Technology (KIT)	Greenhouse gas mitigation	Kenya / Germany
Africa	GOMANI, Samuel	Renewable Energy Department, Mzuzu University	Training biogas technology	Malawi
Africa	GONDWE, D. S. F.	Land Resources, Mchinji District Agriculture Office	Training manure management	Malawi
Africa	GONDWE, Franco	Land Resources, Mzimba North District Agriculture Office	Training manure management	Malawi
Africa	GOOPY, John	Researcher ILRI	Livestock feeding strategies and greenhouse gas mitigation	Kenya
Africa	HABTE MARIAM, Nigussie	Community facilitator, Institute of Sustainable Development (ISD),	Training manure management	Ethiopia
Africa	KUMWENDA, Rhollent	General manager - Sustainable Development Solutions (SUDESO)	Trainer on biogas construction and maintenance	Malawi
Africa	OKOROGBONA, Alfred	Researcher Agricultural Research Council	Manure use as an organic nutrient source and its impact on crop productivity	South Africa
Asia	AGGARANGSI, Pruk	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Renewable energy, waste water treatment by biogas system	Thailand
Asia	BESS, Tiesnamurti	Head Indonesian Center for Animal Research and Development (ICARD)	Project definition, communication planning, vocational training, biogas technology	Indonesia

TO CONTACT SEND EMAIL TO info@manurekiosk.org

Knowledge exchange, awareness creation and capacity building 2/3

Regional coverage	Name	Current position	Specific services offered	Country of residence
Asia	CHAIYAKUL, Arux	Department of Livestock Development	Thailand green agriculture project, utilization of livestock waste, manure management, spatial planning, monitoring long-term effect of manure management	Thailand
Asia	HEEGDE, Felix TER	Advisor, Field Related Operations, Renewable Energy at SNV Netherlands Development Organisation	biogas, anaerobic digestion, nutrient values of bio-slurry, GHG implications	Vietnam
Asia	HUQUE, Khan Shahidul	Bangladesh Livestock Research Institute	Policy, planning and implementation of development projects, organization of seminar and workshop etc. / Livestock feeding and nutrition, research on knowledge on farm waste production and recycling, knowledge and technology sharing, training of farmers	Bangladesh
Asia	KOONAPHAPDEELERT, Sirichai	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Biogas from animal manures and agricultural wastes; AD design and consultancy; Biogas Purification; and Biomethane Production	Thailand
Asia	NGUYEN VAN, Thu	Can Tho University, Vietnam	Project definition, Vocational training and Research projects and results	Vietnam
Asia	NUENGJAMNONG, Chackrit	Assoc. Prof. Faculty of Veterinary Science , Chulalongkorn University	Vocational training, manure technology and management	Thailand
Asia	SENG, Mom	Vice rector Royal University of Agriculture	Livestock feeding strategy, ruminant nutrition	Cambodia
Asia	SOMMART, Kritapon	Department of Animal Science, Faculty of Agriculture, Khon Kaen University, Thailand	Ruminant nutrition; Livestock farm management; training	Thailand
Asia	ZWEBE, Dagmar	Sector Leader Renewable Energy at SNV Netherlands Development Organisation	Domestic and medium scale biogas, result based funding, AD training development, access to carbon markets	Vietnam
Asia / Africa	KUMAR ANAL, Anil	Asian Institute of Technology, Thailand	Project definition, Communication planning, vocational training and Capacity building; Knowledge management, Anaerobic digestion and treatment for Manure.; Livestock and Poultry Production Management	Thailand

Manure technology 1/2

Regional coverage	Name	Current position	Specific services offered	Country of residence
Africa	MASSO, Cargele	Researcher International Institute of Tropical Agriculture (IITA)	Manure and soil fertility	Kenya
Asia	AGGARANGSI, Pruk	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Renewable energy, waste water treatment by biogas system	Thailand
Asia	BESS, Tiesnamurti	Head Indonesian Center for Animal Research and Development (ICARD)	Project definition, communication planning, vocational training, biogas technology	Indonesia
Asia	CHAIYAKUL, Arux	Department of Livestock Development	Thailand green agriculture project, utilization of livestock waste, manure management, spatial planning, monitoring long-term effect of manure management	Thailand
Asia	KOONAPHAPDEELERT, Sirichai	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Biogas from animal manures and agricultural wastes; AD design and consultancy; Biogas Purification; and Biomethane Production	Thailand
Asia	NUENGJAMNONG, Chackrit	Assoc. Prof. Faculty of Veterinary Science , Chulalongkorn University	Vocational training, manure technology and management	Thailand
Asia	NUENGJAMNONG, Chackrit	Faculty of Veterinary Science , Chulalongkorn University	Vocational training, manure technology and management	Thailand
Asia	SIRIPAT, Alongkorn	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Renewable energy, waste water treatment by biogas system; design and implementation	Thailand
Asia	TOWIWEK, Nuttakorn	Energy Research and Development Institute-Nakornping, Chiang Mai University, Thailand	Renewable energy, waste water treatment by biogas system; design and implementation; Waste management; and Water supply	Thailand
Latin America	APARECIDA DE LIMA, Magda	Investigadora en Ciencias ambientales y geociencia EMBRAPA	Manejo de excretas y políticas	Brasil
Latin America	COSTA JUNIOR, Ciniro	Researcher at Instituto de Manejo e Certificação Florestal e Agrícola (IMAFLORA) / Institute for Agriculture and Forest Management and Certification	Biogeochemistry, Manure Management, Anaerobic Digester, Soil Carbon and Nitrogen, Greenhouse Gas Emissions, Carbon and Nitrogen Modeling in Agroecosystems and Manure Management, Agricultural Policy	Brasil

Manure technology 2/2

Regional coverage	Name	Current position	Specific services offered	Country of residence
Latin America	FIGUEROA, Uriel	Instituto Nacional de Investigaciones Forestales Agrícolas y Pecuarias (INIFAP). Director de Investigación, Centro de Investigación Regional Norte Centro.	Manejo de estiércol y abonos orgánicos en relación con la fertilidad del suelo y la nutrición vegetal.	Mexico
Latin America	GONZÁLEZ, Pablo	Consultor especialista en manejo de materias orgánicas para la producción de fertilizantes, biogas y electricidad	Producción abonos orgánicos, Biogas, electricidad	Costa Rica
Latin America	HERNÁNDEZ CHANTO, Carolina	Biogas Coordinator at Instituto Costarricense de Electricidad	Biogas technologies	Costa Rica
Latin America	HUMMEL, Ana	Investigadora de la Universidad Agraria de la Molina (UAM)	Manejo de desechos y Purines	Perú
Latin America	PALHARES, Julio Ceasar P.	Researcher at Embrapa Southeast Livestock	Manure and water management in livestock and poultry production, environmental impact evaluation (water), best management practices	Brasil
Latin America	VIQUEZ ARIAS, Joaquin	Director Viogaz	Manure management and Biogas projects	Costa Rica
