Global Agenda “Waste to Worth” Focus Area Workshop

Geoff Orme-Evans
Humane Society International
27 August 2013
Bangkok, Thailand
Celebrating Animals | Confronting Cruelty Worldwide
I. What needs to be in place for practice change towards sustainable livestock sector development to occur?

- Research: “Win-win”
- Standards: Guiding Implementation
- Mobilization: Finance, Pilot Projects, Extension
- Flexibility: Diversity
II. Types of strategies the Agenda could or should adopt to facilitate this

• Inclusive stakeholder involvement
• Pilot projects
• Develop standards or policy recommendations
• Finance
• Coordination with other efforts, e.g. UNFCCC, CCAC, and GRA
Animal welfare:

- Evaluated
- Safeguarded
- Enhanced
