AMR in Livestock: Innovation and the Role of GASL

3 October 2018 / 1800 h / Iraq Room

Welcome and Introduction to the Global Agenda for Sustainable Livestock (GASL)

Fritz Schneider       Chair of GASL
Sustainable development is only possible in a world without hunger and poverty”

“Agriculture and livestock are feeding the world”

GASL is a Multi-Stakeholder Partnership established 2011, mandated from COAG to FAO
GASL is enhancing livestock holder’s commitment and investments in support of the UN Agenda 2030

GASL

• Facilitates dialogue
• Generates evidence
• Supports the adoption of good practices and conducive policies
Guiding Principles

- Open and voluntary
- Inclusive and consensual
- Change oriented
- Evidence and knowledge based
- Respect for diversity of views
GASL’s Multistakeholder Membership (>100 members)

- Public Sector Cluster (17)
- Private Sector Cluster (23)
- Academia & Research Cluster (23)
- Non-Government Organisations (23)
- Donors (10)
- Social Movements (3)
- Multilateral and Intergovernmental Organisations (6)
The Global Agenda accepts the SDGs of the UN Agenda 2030 as its important reference framework

- Basically all SDGs are relevant to livestock keeping
- The Global Agenda has identified nine SDGs with particular importance for the sector
## Action Networks of GASL, Work Areas and SDGs

<table>
<thead>
<tr>
<th>Work Area</th>
<th>Relevant SDGs</th>
<th>Relevant Action Networks</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Work Area 1:</strong> Dairy Asia, Livestock for Social Development</td>
<td>2 Zero Hunger, 3 Good Health and Well-being</td>
<td></td>
</tr>
<tr>
<td><strong>Work Area 2:</strong> Livestock for Social Development, Dairy Asia</td>
<td>1 No Poverty, 3 Good Health and Well-being, 5 Gender Equality, 8 Decent Work and Economic Growth</td>
<td></td>
</tr>
<tr>
<td><strong>Work Area 3:</strong> GASL Action Network LAMP, Livestock Antimicrobial Partnership, GASL Action Network Animal Welfare</td>
<td>12 Responsible Consumption and Production, 3 Good Health and Well-being</td>
<td></td>
</tr>
<tr>
<td><strong>Work Area 4:</strong> LEAP, Closing the Efficiency Gap, Circular Bio-economy, Global Network for Sylvopastoral Systems, Restoring Value to Grassland</td>
<td>12 Responsible Consumption and Production, 13 Climate Action, 15 Life on Land</td>
<td></td>
</tr>
</tbody>
</table>
Role of GASL in AMR Work

• GASL offers a platform and a multi-stakeholder partnership

• AMR work needs a multi-stakeholder approach

«To reduce antimicrobial resistance and to make responsible use of antimicrobials brings us one step closer to the Sustainable Development Goals»
