Inspiring stories on how equine welfare delivers for innovation and development

9th Multistakeholder Partnership Meeting:
Innovation for Sustainable Livestock Systems

Tuesday 10th September 2019
Over 110 million working donkeys, horses support communities around the world.

Many of the world’s most urgent SDGs can be achieved by cost-effective, simple and innovative solutions.
Since 2017 The Donkey Sanctuary has taken steps to offset its air travel carbon emissions

- Cook stoves
- Borehole Repair
Fikadu’s family

A donkey’s work is never limited

- Biogas systems
- Fikadu’s house and system as training facility.
Samuna’s three donkeys are the heart of the community

- ‘Iquib’, a traditional Ethiopian savings scheme
- Access to water for livestock
Simple innovative interventions aimed at improving equine welfare directly lead to improving the lives of those who rely upon them.

Thank you
